OUR STORY

In October 2023 FLAG DV celebrated 10 years of offering free, family law legal advice to those experiencing domestic abuse. The charity was established when changes to legal aid came into effect in 2013 making it harder for those who have experienced domestic abuse to access legal aid.

Since its inception, the organisation has come a long way, achieving significant milestones and fostering a vision of hope for the future.

MESSAGE FROM THE CEO

A decade ago, the founders of our charity began a mission to offer crucial legal guidance and assistance to individuals impacted by domestic abuse. Reflecting on our progress, I am both honoured and thrilled by how much we have accomplished.

Our path has been marked by dedication, perseverance, and unwavering resolve. From a small, dedicated team, we have evolved into a strong organisation committed to empowering individuals with the advice they require to move forward. The growth and influence we have attained in the past ten years, particularly in the last four, showcase the collaborative endeavours of everyone involved in the FLAG DV community.

MESSAGE FROM THE CHAIR OF TRUSTEES

At FLAG DV, everything we do is fuelled by compassion, legal expertise, and a commitment to making a tangible difference in the lives of those in need. This year we are incredibly proud to have celebrated 10 years of delivering on this commitment within the Thames Valley. We have taken this unique opportunity to honour all who have been involved, past and present, and to remember all of the individuals that we have been able to support over the years.

In a difficult year when the Crime Survey for England and Wales (CSEW) showed an estimated 9.8 million people (1 in 5) aged 16 years and over had experienced domestic abuse, it is imperative that we continue to build upon all of our hard work over the last 10 years.

As we look forward to our most exciting year to date, with the introduction of our Family Court Support Worker Service we remain grateful to all of our dedicated staff, trustees and volunteers for their unwavering enthusiasm and pride in FLAG DV and the necessary service we provide.

Domestic Abuse prevalence continues to be around 1 in 5 adults who will experience Domestic Abuse during their lifetime. This equates to: 1 in 4 women and 1 in 6-7 men.

A small 2016 study by Cafcass and Women's Aid Federation England indicated that domestic abuse allegations were found in about 62% of cases, potentially involving up to 32,400 private law children cases annually.

Feel better
informed

“Following my initial anxiety, I had been consistently overwhelmed by worry, fearing that my actions might be incorrect. However, the appointment with FlagDV gave me a newfound sense of control over my future and provided me the clarity I needed to take the necessary steps to progress confidently.”

CASE STUDY

Feb 2023 - Client entered FLAG DV for legal advice following recent assault

Received advice about current situation around orders, children and housing

The client did not proceed with the legal case due to concerns about her husband's reaction.

Client didn't qualify for legal aid and took steps to apply herself.

Jan 2024 - Client returned for further advice after a breakdown in agreement had taken place with the children.

Volunteer solicitor provided advice and guidance on self representation,

March 2024 - Client went to court and represented herself

Client's Feedback: *"I am extremely grateful for the presence of this service. Dealing with financial abuse post-separation and facing an intimidating legal team representing my ex-husband has been challenging. The free calls, which I believe are available every six months, have been a source of support during this tough time. As I prepare for the upcoming hearing, I am confident that I can articulate our current situation, stand firm on the truth, and advocate for the protection of my son."*

FUNDING

OUR FUNDING

In 2023, we encountered unprecedented funding challenges as successful grant applications decreased, even from previously supportive funders who were strained by increased demand. The economic crisis affecting our clients also heightened competition among organisations like ours for limited resources. Reflecting on these challenges, we are deeply humbled and grateful for our incredible grant funders who continue to invest in and believe in our charitable aims. Their ongoing support has been essential in sustaining our vital services.

We are equally thankful for the individuals who dedicated their time and efforts to raise funds for us, from bake sales to sponsored runs. Your support has enabled us to meet the increased demand and provided much-needed stability.

In 2023 we were thrilled to receive a five-year funding commitment from The National Lottery Community fund. This multi-year grant is a first for our charity and has given us greater confidence and security for the future.

Thank you for standing with FLAG DV and empowering us to make an impact in the lives of those affected by domestic abuse.

OUR PLANS FOR THE FUTURE

FAMILY COURT SUPPORT

More people are representing themselves in complex family law cases due to a lack of access to legal aid and the inability to pay for representation. They find it hard to understand a system tailored for professionals.

Equally solicitor feedback has emphasised their need to focus on legal advocacy and a lack of capacity to provide emotional support. This will leave, even represented clients, feeling isolated and vulnerable and leading to disengagement with the family court support process.

PROBLEM

Solve the lack of comprehensive support for those experiencing domestic abuse and navigating the family court process, this can lead to vulnerability, voicelessness, and disadvantage within the system

SOLUTION

Have a trained domestic abuse family court support worker whose role it is to offer practical, emotional, and moral support in court to individuals navigating the family court system. The primary objective is to support clients throughout each stage of their family court proceedings, ensuring they feel empowered and have their voices heard.

IMPACT

A thriving society where survivors of domestic abuse are supported, empowered, and able to navigate the family court process with confidence, leading to increased safety, well-being, and positive outcomes for all.

WANT TO GET INVOLVED?

VOLUNTEERS

Like all charities the work that we do would not be possible without the support of our amazing volunteers. There are several ways that you too can get in involved with FLAG DV and make a direct impact to the lives of those impacted by domestic abuse.

Get in touch with us at hello@flagdv.org.uk

LEGAL ADVISOR

Our solicitors provide free legal advice to domestic abuse victims, offering a lifeline and contributing to improving outcomes for those experiencing domestic abuse.

They volunteer up to 30/45 minutes once a week at our clinics. We welcome applications from qualified family law solicitors who are:

- SRA (Solicitors Regulation Authority) registered.
- Experienced in family law matters, especially those related to domestic abuse.
- Compassionate, empathetic, and committed to making a positive impact in the lives of vulnerable individuals and families.

FUNDRAISING

Join FLAG DV as a volunteer fundraiser and make a direct impact in supporting survivors of domestic abuse. Your efforts will help provide crucial legal advice and support to those in need, empowering them to rebuild their lives free from violence.

We need volunteers to consider doing hosting events, sponsored runs and corporate giving.

TRUSTEE

As a trustee, you'll play a crucial role in our leadership team, guiding our strategic direction and ensuring our impact. Your responsibilities include strategic planning, governance, financial oversight, advocacy, and networking.
